

Christopher J. Anuskiewicz, RLA, ASLA

LANDSCAPE ARCHITECT
ISA CERTIFIED ARBORIST®

Chris is a registered Landscape Architect with PlaceMaker Design Studio, LLC with experience on a wide variety of private and public development projects. Having practiced on international and domestic projects, Chris brings a regional perspective to solving local client needs.

Mr. Anuskiewicz has worked for companies such as Walt Disney World and award winning international design firms. He has broad experience managing projects and a landscape architecture studio for multidisciplinary design firms from Florida to Oregon. Chris has provided consulting services for municipalities in Florida, Oregon, Alabama, and Washington. He strives to integrate innovative, sustainable design concepts into his projects. His experience brings a unique perspective to projects.
