

Ginevra L. Anuszkiewicz, RLA, ASLA

LANDSCAPE ARCHITECT

Ginevra is a registered Landscape Architect with PlaceMaker Design Studio, LLC with a multidisciplinary background in landscape architecture and ecology. She has a broad range of experience on projects from park and trail development to residential community projects.

Mrs. Anuszkiewicz has worked for the U.S. Army Corps of Engineers, a municipal parks department in Washington, and a Florida based multidisciplinary design firm. Ginevra has extensive experience in construction documentation and design for ADA accessibility and strives to achieve a sound balance of buildable construction and sustainable design in her projects.
